

TABLE OF CONTENTS

1.0 Overview	1-1
1.1 Research, Engineering, and Development Program Objectives	1-1
1.2 Civil Aviation and the Nation.....	1-1
1.3 Need for Modernization.....	1-2
1.4 Recent Aviation Community Initiatives	1-6
1.5 Research Partnerships	1-10
1.6 Overview of the R,E&D Program	1-15
1.7 Long Term Research.....	1-16
2.0 Program Information	2-1
2.1 Air Traffic Services Program Area Description	2-1
Runway Incursion Reduction	2-6
System Capacity, Planning and Improvements	2-10
General Aviation and Vertical Flight Technology Program	2-15
Safe Flight 21	2-18
Operations Concept Validation	2-22
Software Engineering R&D	2-26
Communications.....	2-31
Navigation	2-34
Surveillance	2-40
Airspace Management Lab.....	2-43
ATC/ATM Decision Support	2-47
Separation Standards	2-50
A04a Weather Program	2-54
2.2 Airports Program Area Description.....	2-59
A05a Airport Technology.....	2-63
2.3 Aircraft Safety Program Area Description	2-69
A06a Fire Research and Safety	2-73
A06b Advanced Materials/Structural Safety.....	2-77
A06c Propulsion and Fuel Systems	2-81
A06d Flight Safety/Atmospheric Hazards Research.....	2-86
A06e Aging Aircraft.....	2-91
A06f Aircraft Catastrophic Failure Prevention Research.....	2-95
A06g Aviation Safety Risk Analysis.....	2-98
2.4 Aviation Security Program Area Description.....	2-103

2000 FAA NATIONAL AVIATION RESEARCH PLAN

A07a Explosives and Weapons Detection.....	2-108
A07b Airport Security Technology Integration.....	2-112
A07c Aviation Security Human Factors.....	2-116
A07d Aircraft Hardening.....	2-119
2.5 Human Factors and Aviation Medicine Program Area Description	2-123
A08a Flight-Deck/Maintenance/System Integration Human Factors.....	2-131
A08b Air Traffic Control/Airway Facilities Human Factors	2-137
A08c Aeromedical Research	2-144
2.6 Environment and Energy Program Area Description	2-149
A09a Environment and Energy	2-153
2.7 NAS Aviation Research Plan Program Management.....	2-157
A01a System Planning and Resource Management	2-160
A01b William J. Hughes Technical Center Laboratory Facility	2-163
A01c Center for Advanced Aviation System Development (CAASD).....	2-166
A01d Information System Security	2-169
Appendix A Research, Engineering and Development Advisory Committee	A-1
Appendix B Alphabetical Listing of NAS Aviation Research Plan Budget Line Items	B-1
Appendix C Numerical Listing of NAS Aviation Research Plan Projects.....	C-1
Appendix D Acronyms and Abbreviations	D-1
